It is located at the confluence of the two mighty rivers Rhône and Saône, the oldest part of the town in a small narrow stretch of land in the centre.

Its most famous landmarks include the hilltop Basilica of Notre-Dame de Fourvière and the charming Renaissance Vieux-Lyon old town area along the banks of the Saône.

This morning, you can explore these unmissable sights on a guided tour, or at your own pace. Alternatively, discover Lyon's gastronomic side on a visit to Lyon's gourmet market hall by Paul Bocuse. Y

At midday, the cruise ship leaves Lyon and glides past picturesque countryside vistas, heading south towards the Mediterranean.

## DAY 5 - HISTORIC AVIGNON

After breakfast, you can spend the day exploring the Provençal city of Avignon and discover its momentous history. In the morning, you can join a guided walking tour of Avignon, the seat of Catholic Popes from 1309 to 1377 and admire the Papal Palace, one of the world's most fascinating examples of Gothic architecture. Another must-see is the Pont d'Avignon, a ruined 12th-century bridge that once spanned the Rhône and immortalized in the famous song.

After lunch onboard, if you wish to see more of this unique historic area, why not join the afternoon excursion to the Pont du Gard. A Roman aqueduct built in the first century AD, it is a masterpiece of engineering! On the excursion you will also visit the town of Uzès with its many medieval towers.

In the evening, enjoy a well deserved rest and a delicious dinner while your cruise ship remains in Avignon overnight.

Alternatively, there is an excursion to Tarascon, which lies exactly between Avignon and Arles and nestles picturesquely on the left bank of the Rhône - and has done so for around 2,000 years

After lunch, you can discover more of Arles' artistic side. The Provençal town once captured the imagination of the brilliant impressionist painter, Vincent van Gogh, amongst others. You can learn more about the rich history of Arles during the optional morning tour and take a break at the café that served as the model for one of van Gogh's famous works, 'Café Terrace at Night'. You may feel that walking through the town might induce a sense of déjà-vu since many of the settings may be familiar from some of van Gogh's best-known pieces.

The alternative afternoon excursion is to the tranquility of nature of the Camargue Nature Park. Home to the renowned Camargue bulls and white Camargue horses, the unique wetland area is a sight to discover.
